

TO THE KING'S MOST EXCELLENT MAJESTY

May it please Your Majesty.

As representatives of the Free Churches, including the bodies of Protestant Dissenters, we offer Your Majesty our loyal congratulations on Your Accession to the Throne.

We are thankful to God for the growing depth of love and understanding that exists between the many different Christian denominations within Your realm, and with communities of other faiths, and none. In this we have been grateful for the example that Your Majesty has displayed building on the work of Her late Majesty, Queen Elizabeth.

We value the liberty we enjoy to worship according to our consciences and the freedom to proclaim the Gospel. We share with others a vigilant concern for the tolerance, freedom and mutual care we have enjoyed in Great Britain, celebrating differences and valuing diversity.

May the celebration of Your Majesty's Accession be a profound example of this United Kingdom coming together to mark this honourable occasion and an opportunity for many to demonstrate to Your Majesty their appreciation for Your service.

May the blessing of Almighty God continue to rest upon His Majesty the King.
