

## A CALL TO PRAY

### At the start of each term (Sep, Jan, Apr):

Loving God,

We ask you to be with all of the students who are entering further education for the first time. Be with them and uphold them at this time of new beginnings.

We pray for all those returning students, beginning a new year; we pray they can continue to grow and that they consolidate and enrich their studies in the coming year.

### Throughout the year:

Living God, we pray that you will guide and inspire all those students embarking on training for employment and all those seeking support and new learning for their personal development.

We pray for the staff and chaplains at our colleges and learning providers, that they have the courage, wisdom and stamina to support the students.

In Jesus' name, we pray. **Amen**
